2009 was a challenging year

But 2010 is the year we start
to turn things around!

Assuring access to Complex Rehab
product and services for Americans
with disabilities must be our #1
priority. A separate benefit category
for Complex Rehab is the way to
assure this over the long haul.

Consumer self-advocacy is the key
to getting what we need from
Congress and CELA 2010 is where
the first battle of the war to preserve
Complex Rehab will be waged.

We need you there and we need you
to bring consumers with you. If you
can only take one trip in 2010, make
it to CELA. There is no other venue
where you can meet all your annual
continuing education requirements
for both NRRTS and RESNA, as well
as advocating on Capitol Hill for our
industry, profession and the people
we serve.

Sponsor a consumer to join you at
CELA. Matching scholarship funds are
available on a first-come-first-served
basis. Scholarship applications for
consumers are available at
www.nrrts.org.

Check out our registration fees!
CELA 2010 is, by far, one of the
most cost-effective education
opportunities available anywhere.
